The 2012 vintage began with textbook conditions that continued through much of Harvest. Spring bud break was ideal with steady flowering and even fruit set. A lengthy stretch of warm days and cool nights during the summer months allowed for optimal ripeness to develop in the grapes and an exceptional quality overall. This wine has aromas of dark blue fruits and spices. Notes of cassis, sweet licorice and a juicy core of fruit are balanced by nice acidity and a silky, lingering finish.

## World of Cheese

FROM SPAIN, AGED 3 MONTHS  
Manchego  
Cheese

**11.99** lb

Manchego is Spain's most famous cheese. Produced in La Mancha in Central Spain, true Manchego is made from 100% sheep's milk. The abundance of wild herbs on Central Spain's grazing lands gives Manchego a special taste and aroma. Its flavor is zesty and exuberant while its texture is firm but not dry. Manchego can be recognized by the zigzag pattern etched into its rind.
